Commissioner for Patents

The Information Disclosure Statement filed 28 April 2005 (Certificate of Mailing 25 April 2005) was filed after the mailing of a Notice of Allowance (i.e. on 22 April 2005). Accordingly, for the consideration of an IDS after allowance, applicant is required to provide an IDS fee. This has not been provided, nor does there appear to be authorization to charge an appropriate deposit account for the necessary fees. Accordingly, the IDS has not been considered. Attached is a copy of the PTOL-1449 provided with applicant's IDS with all non considered citations crossed out.
